

Assure Lock[®] Lever Keyed

Combining high security with cutting edge technology, the Yale Assure Lock[®] Lever Keyed is a high quality security solution for the contemporary home.

The Assure Lock[®] Lever Keyed is all you need on your front door, now 'smart-ready' and in matt black with a stylish Element L3 lever. As a standalone digital lever, there is no need for an additional deadbolt lock, nor a latch or a separate door handle. Designed for single-hole doors (doors without a deadbolt). It is easy-to-install and conveniently replaces existing lever locks or knobsets.

Enjoy peace of mind, protected by a Yale Lock with more than 183 years of security expertise built in.
