

Assure Lock[®]

Combining high security with cutting edge technology, the Yale Assure Lock[®] Door Lock is a high quality security solution for the contemporary home.

Secure your home with this Yale electronic lock and enjoy the convenience of unlocking and locking your door using the backlit touchscreen keypad; you'll never have to carry around your keys again. Enjoy peace of mind, protected by a Yale Lock with 180 years of security expertise built in.

Trusted every day

Features

Touchscreen Keypad

Unlock by entering your PIN code and lock-up with a simple tap of the keypad.

One Touch Locking

Lock-up without the hassle of keys by simply tapping the keypad.

Create Unique Pin Codes

Create up to 25 unique PIN codes, adjust lock features and personalise your settings.

Mechanical Key Override

In the event your battery goes flat, you have a mechanical key override that will prevent you from being locked out. Remember to always keep your keys in a safe and convenient place.

Smart Home Automation

Monitor access, lock and unlock your door from anywhere when you upgrade with the Yale Home APP Kit*, Zigbee or Z-Wave module** and integrate into a compatible home automation or security system.

*Yale Home APP Kit includes (sold separately), DoorSense™, Yale Home module and Yale Connect Wi-Fi bridge for remote access.
**Network modules sold separately.
