

RUSTIC 100

For top hung interior sliding timber doors. Max 100kg each leaf.

APPLICATION

- Traditional system for timber doors that creates that old fashioned look
- Exposed steel straps fasten down the front of the door to support that rustic finish whilst the beautiful crafted hangers run smoothly along a flat bar track
- Matt black powdercoat or stainless steel finish
(stainless steel is 304 grade suitable for internal use)
- Nylon bearing wheels provide a smooth and silent running
- Stops are position on the track to limit door travel
